

Monday, March 23, 2020

Dear JUNIOR EXPLORER CLUB Families,

Navigating through these current uncharted waters can be challenging as a parent, worker or business owner. As we all face varying obstacles and unanswered questions right now, my commitment to ensuring a safe and healthy environment for your family is top priority. Given the uncertainties of this health crisis and its impacts on the safety of your children and my staff, I have had to make the painful decision to temporarily close the JUNIOR EXPLORER CLUB facility.

Our last day of operation will be at the close of business today, Monday, March 23, 2020.

I understand that this decision will have a big impact on your daily routine. This difficult choice was not made lightly but necessary to ensure the safety of our children and community. I would like you to know that I remain dedicated to the well-being and learning of your child – and will forward you resources to continue their learning while at home.

We are confident that we will be able to return to our normal operations as soon as possible and provide your child with the same great programming upon their return. We will continue to keep you informed about any updates we might have via text, email and social media.

As always, we are doing our best to take every call, every email and every situation into consideration. Your patience through this challenge is greatly appreciated.

Thank you again for taking the time to read this. If you have any questions or concerns, please call us 614-516-3325.

On a personal note, I would like to extend my gratitude to all of you for being a part of our JUNIOR EXPLORER CLUB families. This year has been filled with incredible growth and tremendous opportunities. I look forward to picking up that momentum and continuing to dream big for your children. Our club. Our communities. My family and my staff. This too shall pass and together we will get through this.

Stay safe. Stay healthy. Stay strong.

Michele Rapp & the JUNIOR EXPLORER CLUB team
